

Term 3 Week 7

The Fun and Success of Trivia Night

Last Saturday night's Trivia Night was one of our College community's funnest most successful get togethers ever. Plus, we raised close to \$4,500 which will go towards seating for our new hall; well done!

Thank you to all who helped organize the event and collect all the prizes. A very special thank you to all our sponsors who will have a feature in our next Snapshot edition.

Winner Controversy!

There has been some controversy over which table won 2nd place. The score board incorrectly gave 'The Italian Job' table double points for two rounds instead of one. Therefore, the winners are now shown correctly below:

- 1st Place: Heroes and Villains**
121 points
- 2nd Place: Fire Fighters**
112 points
- 3rd Place: Late Entry**
111 points
- 4th Place The Italian Job**
110 points

We have to ask ourselves the question...were the Mafia involved?

Prayer Points

We want to praise God for:

- A successful Trivia Night.
- A great School EXO Day

Bible Verse for the week:

"In times of trouble, may the LORD answer your cry. May the name of the God of Jacob keep you safe from all harm. May he send you help from his sanctuary and strengthen you from Jerusalem. May he remember all your gifts and look favorably on your burnt offerings. May he grant your heart's desires and make all your plans succeed. May we shout for joy when we hear of your victory and raise a victory banner in the name of our God. May the LORD answer all your prayers."

Psalm 20:1-5

We also want to pray for:

- Our Year 12 as they begin studying for their HSC examinations.
- Safety and good weather for our Duke of Edinburgh participants as they take part in this great event.

HSC Examination

A Cedars First!

This year for the first time, Cedars students will be able to sit for their Higher School Certificate exams in the familiar surroundings of their very own school. In the past Year 12 students have had to travel to other schools to do this important exam. For the 2009 exams, the Board of Studies has given Cedars the approval to be a Higher School Certificate Examination Centre.

This will be a real blessing to our students and one less thing to worry about as they face 3-4 weeks of exams in October.

The exam timetable can be found on our website www.cedars.nsw.edu.au under Senior College News. It would be great if our school community could use the timetable as a prompt to pray for our students over the coming weeks.

We need more small toys - not balls, but other little toys like yoyos, skipping ropes, etc. Thank you.

Golden Opportunity

Do you think your child may have what it takes to represent Australia in the 2012 Olympic Games?

The University of Wollongong has joined forces with the Australian Sports Commission's National Talent Identification and Development (NTID) program to offer young people the opportunity to participate in talent identification screening.

Anyone who demonstrates above average potential in the tests may be invited to participate in the NTID program.

Next Test Session is on 3rd October and is free!
