Prayer Points

We want to praise God for:

- 3 great camps held last week for Years 7, 9 and 11; they had good weather and there were no serious injuries.
- new lockers for our Year 11 and 12 students.

Bible Verse for the Week

"And I am convinced that nothing can ever separate us from God's love. Neither death nor life, neither angels nor demons, neither our fears for today nor our worries about tomorrow—not even the powers of hell can separate us from God's love. No power in the sky above or in the earth below—indeed, nothing in all creation will ever be able to separate us from the love of God that is revealed in Christ Jesus our Lord."

Romans 8:38,39 (NLT)

We also want to pray for:

- our Secondary State Swim Team as they compete on Thursday.
- Prep Teacher, Janelle Tarleton as she travels on a Mission trip to Uganda.

Student Medical Forms

This week all Cedars' families will be receiving a Student Medical Form which the School is required to keep on file for each student.

This information assists the staff to respond to your child appropriately should medical attention be required. All information will remain confidential and will only be used by staff should the need arise. Please look over the form and make any necessary changes and then post or bring into the School office by Monday 22nd March. Thank you.

Teacher's Mission Trip to Uganda

Cedar's Prep Teacher, Janelle Tarleton, is leaving on Friday to begin a Mission trip to Uganda. She will return Week 1 of Term 2.

Janelle will be teaching in a Watoto School for Aids orphans for a month, before meeting up with the 2010 Illawarra Building Team, made up of seven local churches and travelling together to Safari.

The team will also be visiting a new Watoto village in Gulu, where ex-child soldiers are being housed, rehabilitated and given an education and hope for their future.

We wish Janelle well on her trip and pray that she has a safe, healthy journey as she touches the lives of those she will be ministering to.

Library News

DVD Available

"Fed up with children's behaviour : how food and additives affect behaviour" Sue Dengate, DVD, is available for borrowing by parents from the Library.

Scholastic Book Club

In the past, certain titles in the Scholastic Book Club brochures that were deemed inappropriate for the College to support, were crossed out and made unavailable for purchase.

This has become an overwhelming task and very time consuming trying to decide what to exclude. Rather than continue this practice, the College will leave it to parents to decide on appropriate reading material for their own children. Please scrutinise carefully your children's choices as some publications may not align with the Christian world view we support at Cedars.
